PROFESSIONAL EXPERIENCE

Intern - Software Solutions Teams

Smart Technologies Ltd | Sept 2025 - Present

- Completed a 1-month Microsoft Fabric workshop (DP-600) and applied Power BI to design reporting workflows that cut manual data preparation by 25% and improved financial visibility for stakeholders
- Integrated Mixpanel into a budget app to track 10+ user metrics and funnels, using heatmaps and session replays to drive 5+ major product changes, with Zoho Analytics for cross-source evaluation.
- Conducted a comparative analysis of 10+ analytics and data platforms, delivering insights that reduced tool evaluation time by 40% and guided product analytics strategy

Intern - Systems and Support Unit | Global Resource

Mobilisation and Partnerships - BRAC | Dec 2024 - Mar 2025

- Assisted in troubleshooting, updating workflows, and optimizing the JIRA based Grant Management System while collaborating with cross-functional teams for gathering technical requirements and contributing to system design
- Supported the integration and training of the AML/CFT screening system, conducted onboarding sessions for BRAC's Asian and African microfinance and legal teams
- Developed technical documentation, user manuals, and training materials for the JIRA-based GMS and the CSI Sanction Screening System

OTHER ACTIVITIES

Former Mentee - Womentor 5

Banglalink Digital Communications Ltd | July 2024 - Dec 2024

- Secured a top 15 spot out of 400+ applicants in Banglalink's Womentor 5, showcasing commitment to advancing in STEM fields.

Beta Microsoft Learn Student Ambassador

Microsoft | July 2023 -June 2025

- Achieved Beta milestone by hosting a campus-wide event, attracting 10+ teams and facilitating hands-on experience with AI-Cloud tools.
- Organized and led 5+ technical workshops on Microsoft technologies

Top 60 Seeds - Huwaei Seeds for the Future 2025 | Huwaei

- Selected among top 60 for a 3-day bootcamp; led a 10-member team developing real-life innovative solutions with creative problem-solving.

9th International Business Genius 2024 | BRAC University

- Champions for presenting an eco-friendly solution using AI and Robotics for Waste Management in Dhaka

Top 100 - Battle of Minds 2023 | BAT Bangladesh

- Selected among top 100 teams, won Bootcamp after 2 selection rounds; collaborated with 12 teammates, consulted 5+ experts, analyzed "Life" candy campaign, and led market safari to develop actionable strategies.
